'Growing and Achieving Together'

TRAVEL SURVEY

As part of the relocation consultation, one of the main concerns raised was about travel to school. A suggestion was to complete a travel survey to collect data on current travel plans and future travel plans. This will help us to best support families in travelling to the new school site planned for September 2019. We would be very grateful if you could take the time to complete the quick survey using the following link from our school website: <https://www.surveymonkey.co.uk/r/3HMT7KB>

PARENTS EVENING

You are now able to book appointments for the upcoming parents evenings on Tuesday 13th and Wednesday 14th November. This is an opportunity to discuss your child's progress with their class teacher. Please use the link below to make your appointment at a convenient time: <http://www.dunstoneprimary.co.uk/page/?title=Online+Forms&pid=70>

GDPR UPDATE

As part of GDPR, it is extremely important that we hold the correct information regarding your child. During the parent consultation meeting, you will be asked to check your child's data sheet. If you are aware that there are changes e.g. mobile phone contact details, please bring these along in preparation so that the details can be confirmed and checked on the night. Thank you in advance for this.

CONGRATULATIONS

Well done to our year 6 children who successfully completed different stages of their bikeability during the week before half term. We received some lovely feedback from the trainers:

"It was a pleasure teaching the children this week who all worked extremely hard and were very well mannered. They are a credit to the school and teachers."

MILITARY KIDS CLUB - HEROES

Some of our service family children had the opportunity to visit 165 Port & Maritime Squadron this week. Whilst there they took part in activities such as first aid, observations and even tried on some kit! They all had a super time and thoroughly enjoyed themselves.
