

The information below shows how Dunstone Primary School have/will spend their Primary PE and Sport Premium awarded in the academic year 2017/18.

The key areas that we have identified meet the following vision and objective set by the DfE;

Department for Education Vision for the Primary PE and Sport Premium

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

Objective

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision that will live on well beyond the Primary PE and Sport Premium funding.

We have used the key indicators set by the DfE to inform our decisions on how to spend the funding and to help us to assess the impact on pupils' PE and sport participation and attainment;

Key Indicators

- 1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles*
- 2. the profile of PE and sport being raised across the school as a tool for whole school improvement*
- 3. increased confidence, knowledge and skills of all staff in teaching PE and sport*
- 4. broader experience of a range of sports and activities offered to all pupils*
- 5. increased participation in competitive sport*

The Government also specify what information is required to be published by each school in receipt of the Primary PE and Sport Premium; **You must include**

- ✓ how much PE and sport premium funding you received for this academic year*
- ✓ a full breakdown of how you've spent or will spend the funding this year*
- ✓ the effect of the premium on pupils' PE and sport participation and attainment*
- ✓ how you will make sure these improvements are sustainable*

Total amount of Primary PE and Sport Premium Awarded in 2017/18

£17730 for 173 pupils
