'Growing and Achieving Together'

THANK YOU

We wanted to express our thanks for all the support with home learning. You are doing a great job! The teachers have worked hard to find activities that are manageable at home and provides a much needed point of interest for the children. It has been lovely to see the learning and photos which have been posted on each child's individual portfolio. This is the communication with class teachers and this creates your child's online learning account which will be personal to your child. Please post anything of interest that your child wishes to share with their class teachers and teaching assistants. All home learning information, including copies of the weekly learning newsletters, can be found at:

Please remember that the main priority is do what you can and enjoy this time with your children. They have been amazing in all of this.

COVID 19

If you require any further

guidance or information, please email office@dunstoneprimary.co.uk or call the school mobile number: 07470351509.

If your family requires sensitive, personal support during this time, Mrs Gibson has lots of resources and advice she can share. Please make contact with the school team via the office.

USEFUL CONTACTS

There is now a dedicated phone line for parents seeking advice, support and effective behavioural strategies to help with the

challenges posed by the school closures. PIAS (Plymouth Information, Advice and Support for SEND) have a team of dedicated facilitators skilled in a wide range of parenting programmes and behavioural strategies from birth to the teenage years. They are on hand to provide help, advice, support and a friendly ear from 9am to 5pm, Monday to Friday. Please signpost parents to call PIAS on 01752 258933 and select option 2.
