

two weeks before the summer holidays. There is no Educare provision during the holiday period.

COVID 19

While the government announced yesterday easing of restrictions, it is still important that we do our best to keep the school community safe. With this in mind, please can we ask that parents use the designated entrances into school for particular year groups as this helps to minimise contact.

Willow: Southern Way and field gate (8:45-2:45)

Rowan: Shortwood Crescent and playground gate (9:00-3:00)

Oak: Shortwood Crescent and main entrance (8:45-2:45)

Educare: Southern Way and field gate (9:00-3:00)

Freshly laundered comfortable/sporty clothes should be worn each day with suitable footwear. Whilst the weather is warm, please can we ask that sun cream is applied before the children come into school because we aim to get the children outside as much as is possible following social distancing guidance.

It is vitally important that if your child or anyone in your household displays any of the following symptoms, they must not come into school and you must inform us immediately.

Symptoms of coronavirus in children

The main symptoms of coronavirus are:

- a high temperature
- a new, continuous cough – this means coughing a lot, for more than an hour, or 3 or more coughing episodes in 24 hours
- a loss or change to sense of smell or taste – this means they cannot smell or taste anything, or things smell or taste different to normal

What to do if your child has symptoms

If your child has any of the main symptoms of coronavirus:

1. **Stay at home (self-isolate)** – do not leave your home or have visitors. Anyone you live with, and anyone in your support bubble, must also self-isolate.
2. **Get a test** – get a test to check if you have coronavirus as soon as possible. Anyone you live with, and anyone in your support bubble, should also get a test if they have symptoms.

CORONAVIRUS
STAY ALERT TO STAY SAFE

- ✓ Keep a safe distance from others
- ✓ Stay home as much as possible
- ✓ Keep washing your hands regularly

STAY ALERT > CONTROL THE VIRUS > SAVE LIVES
