

Dunstone Primary School

Home Learning Year 6

Week beginning: Monday 6th July 2020

Theme: Heroes

We have somehow ended up at the penultimate week of the academic year, and for you, almost the end of your time at Dunstone Primary School. We are very mindful that this will be a different ‘end of term’ for all of you and this week, Mr Oaten and Mrs Stickley have a **very** important task for you. As you are all heroes in our eyes, we would like you to write a friendly message for each person in your class. For those of you who are coming into school, this will be completed in school, but for those at home, Mrs Stickley will be posting a link on Dojo for you to follow. The link will take you to a class list that you can write a comment for each class mate. If you struggle with using an electronic copy, write some comments on paper and attach them as a file or a photo to your dojo portfolio and Mrs Stickley will collate them. She will need them by Thursday 9th **AT THE LATEST**. Thanks in advance.

Maths – Fractions, decimals and percentages

This week, we will be focussing on Fractions, Decimals and Percentages. We are asking the children to watch the White Rose video and the corresponding maths sheets for the week will all be on Dojo

Monday – Convert fractions into percentages:

Tuesday – Equivalent fractions, decimals and percentages:

Wednesday – Ordering fractions, decimals and percentages:

Thursday – Percentages of amounts

Friday - Challenges!

- Daily TTRS – this week we have our final TTRS ‘Bubble battle’. Who will be the Year 6 TTRS Bubble heroes?! Get rocking!

Reading

In reading this week, we would like you to:

- Read for at least 10 minutes every day. This can be a book, a newspaper or an audiobook.
- Log on to myON and read a book that you would never have chosen before.
- Watch Newsround and discuss with your family things that are happening in the wider world.

Spelling: Choose your favourite spelling method to practise these words.

invincible	aggressive
invisibilit y	mischievou s
disastrou s	extraordina ry

Doors

world of possibility

By the end of this **three week unit**, you will:

- Design your own door of possibility **(DONE)**
- Write a poem about it
- Write an adventure story about what lies behind the door.

This week, we will complete activities 5-8 in the Doors booklet (see Dojo) to get you thinking about what might lie behind your door.

Bubble A	Bubble B
Mon - Activity 7	Mon / Tue / Fri - : Activities 5+6
Tues - Activity 8	
Weds - Fri: Activities 5+6	Weds - Activity 7 Thurs - Activity 8

**Writing:
– the**

Theme

Linked to this week’s theme you could:

- Create character profiles of archetypal ‘heroes’ and ‘villains’ then relate this to people in everyday jobs – who are heroes? NHS/firefighters etc... and who are villains: Donald Trump/robbers etc...
- **SB:** Write friendly leavers messages to your peers (see the link on Dojo)
- Create a comic strip for an ‘everyday hero’ e.g. a day in the life of a nurse or doctor.

- **SB:** Create your own superhero at the Marvel website
<https://www.marvelhq.com/create-your-own-super-hero>

Mrs Bateson's Top Task: We need you to be digital heroes so spend some time finding out about the **SMART rules** and create a poster about how we can stay safe online. Watch the Smart Crew as these

heroes help us to understand how to stay safe.
