Monday 4th January 2021

Dear Parents and Carers,

Government announcement of a National Lockdown

Following the Prime Minister's announcement of a National Lockdown this evening, the following arrangements will be put in place for education at Dunstone Primary School on Tuesday 5th January. I'm sure you can appreciate the complexities of decisions at such short notice.

The children of key workers and vulnerable pupils can attend school on Tuesday 5th January. These children will receive emergency Educare and further plans will be put in place from Wednesday onwards following parents registering them through a questionnaire which will be sent tomorrow. For any parents who are unable to provide childcare for their children at home tomorrow, these children can also attend school for Tuesday 5th January **only**. This is so parents can make the necessary arrangements to look after them at home from Wednesday onwards. All other children should remain at home.

Due to the short notice of this decision, no remote learning will be provided for these children until Wednesday 6th January. If you would like any learning resources for tomorrow, please use the online platforms your child has already been using (e.g. Purple Mash, Spelling Shed, Numbots and Times Tables Rock Stars).

If you have any questions at this stage, please email me at headteacher@dunstoneprimary.co.uk. Please look out for the updates which will be sent out to all parents and carers tomorrow.

Yours sincerely

Claire Duncan
Head Teacher
